

***Assistant Controller
Wheeler Ridge-Maricopa Water Storage District
Bakersfield, California***

Wheeler Ridge-Maricopa Water Storage District is seeking an experienced professional to serve in an exempt management-level position as its Assistant Controller. Reporting to the Controller, the Assistant Controller will supervise all Accounting Department functions, including a staff of three. The position offers growth opportunities.

The ideal candidate will possess a strong business background, and accounting and administrative experience including investment, purchasing, inventory, and internal audit functions. Must possess a bachelor's degree in accounting, finance, or a closely related field. A CPA license is desirable. At least four years of satisfactory verifiable accounting work experience involving general ledger, bookkeeping and accounting, and account analysis is required. At least one year of staff supervision experience is highly desirable.

In addition to a competitive salary determined upon experience, the District offers an excellent public agency benefits package, district-provided transportation, health, and a public pension plan.

The successful candidate will be subject to a pre-employment physical and background investigation.
